

Prayer Labyrinth

"This experience brought God close into my life...it was very powerful."

The Prayer Path: a Christ Centered Experience is a prayer labyrinth kit from the WDC Resource Library that enables you to set up your own experiential multi-media guided labyrinth prayer experience. Includes leader's and participants guides, DVD's and CD's. For youth, young adults and adults, this resource is extremely flexible—feel free to customize for your own use in camps, churches, retreats, outreach, different times of the Church Year. Contact the Resource Library at crlib@mennowdc.org to reserve *this part* of the kit.

ADDITIONAL OPTION! Pastor Joel Schroeder and the Youth Ministry Team of First Mennonite Church, Newton, KS, painted a canvas floor cloth with the prayer path and station numbers. (See pictures above and below!) Mp3 players, worn around the neck, guide participants through the labyrinth, enabling free use of arms and hands during this experience. The Floor Cloth (measuring 24 x 30 ft) and Mp3 players may be rented from First Mennonite Church for \$20/ event. Contact them directly at 316-283-0273.
