

**Trustee Task Force**  
**Beth Yoder, Staff**

The Trustees Task Force was formed to review loan applications for the Revolving Loan Fund, make recommendations as to the acceptance of property or disposal of property, evaluate and enter into legal contracts (real property) and to supervise and manage Conference property.

**Revolving Fund**

As of January 31, 2021, the Revolving Loan Fund had three loans receivable totaling \$86,410.90.

**2500 Place Building**

During 2020 and into 2021 the 2500 Place Building in North Newton had 6 tenants January through June with no open space and 7 tenants July through January with one open space July – May 2021.

In 2020, there were no major renovations or repairs needed in the 2500 Place Building. Renting out the portion of the building not needed for Western District covers the cost of routine maintenance and other routine building expenses, however does not cover major expenses such as those incurred in 2018 & 2019. 2500 Place Building fund received a loan from the Revolving Fund to cover these expenses in 2018, and this helped cover the 2019 expenses as well. Loan repayment is included in the 2020, 2021 and proposed 2022 Western District budgets.
