In Niniongo, Burkina Faso, Adama Sawadogo and her child Adjara Zabre are participants in an MCC-supported maternal and child health project. Using care group models, the project has resulted in major improvements to maternal and child health, including an 83% reduction in infant mortality since the project started in 2018. MCC's 2022 guiding scripture

I am the vine, you are the branches. Those who abide in me and I in them bear much fruit, because apart from me you can do nothing.

John 15:5 (NRSV)

All that we do at MCC, we do in the name of Christ. Thanks to your generosity, MCC is able to continue responding to basic human needs and working for peace and justice around the world. From maternal and child health in Burkina Faso to short and long-term relief for displaced people in Ukraine to mass incarceration in Wichita, KS, MCC strives to share God's love and compassion for all. We are so grateful for the creativity of our supporters and partners in the midst of a challenging past couple of years. Whether you donate financially, pray for MCC, volunteer at an MCC thrift shop, pack kits and make comforters, help can meat or bid on items at a relief sale, you are part of the MCC story and we thank you. With thanksgiving,

Michelle Armster, MCC Central States executive director

Rosie Epp, MCC Central States board representative for Western District Conference
