Article II. Our Common Faith and Mission

25
26
27
28
29

The center of our convictions is Jesus, the Christ.

30
31
32
33
34
35

For no one can lay any foundation than the one that has been laid; that foundation is Jesus Christ. (1 Corinthians 3:11)

36
37
38
39
40
41
42

The Western District Conference accepts the Confession of Faith in a Mennonite Perspective as its guide to faith and practice and commends this confession to each member congregation as a statement of faith for teaching and nurture in the life of the congregation and as a tool in discussions with inquirers, Christians of other traditions and people of other faiths.

43
44
45
46
47
48

The Western District Conference embraces the *Vision: Healing and Hope* statement of Mennonite Church USA – *God calls us to be followers of Jesus Christ and, by the power of the Holy Spirit, to grow as communities of grace, joy and peace, so that God’s healing and hope flow through us to the world.*

Mission Statement:

Western District Conference empowers its Anabaptist/Mennonite congregations to:

- Witness and invite others to faith in Jesus Christ,
- Dwell in just and loving relationships, and
- Connect to God’s mission in the world.

The Western District Conference seeks to foster a biblical, multi-cultural vision of the missional church by being inclusive of, walking with, and learning from many cultural and racial/ethnic groups. Desiring to follow the way of Jesus, we seek to dismantle racism and prejudice in our congregations, conference, institutions and communities. We covenant to be the church together to support and encourage each other as we learn what it means to be disciples of Jesus. We desire wholesome working relationships in all our ministries.

Article III. Membership

46
47
48

Section A. Admission

1. Membership. Congregations may apply for membership by submitting, in writing to the Executive Board, not less than 30 days before the Delegate Assembly, a brief history of

49 the congregation and description of present activities, a membership covenant or
50 statement of faith and constitution adopted by the group, and other helpful documents
51 such as an annual report and a list of charter members. Congregations are encouraged to
52 have at least ten members before seeking membership. The Executive Board will make a
53 recommendation to the Delegate Assembly. The vote for acceptance into the Western
54 District Conference shall be by a two-thirds majority of all delegate votes cast.

- 55 2. Associate Membership. This level of membership is intended to recognize a relationship
56 with a congregation whose primary affiliation is with another area conference. Members
57 of associate member congregations may not be WDC delegates or be elected or appointed
58 to conference office or WDC commissions. They may be appointed to committees and
59 task forces.
- 60 3. Church Plant/Emerging Congregation. New congregations, certified as such by the WDC
61 Executive Board, may participate fully in the life of WDC. A church plant/emerging
62 congregation may have one delegate at Delegate Assemblies. A church plant/emerging
63 congregation becomes a member congregation by following the process outlined in
64 section A.1., above.
- 65 4. Dual Affiliation – In the interest of cooperative ministries, congregations may hold
66 membership in more than one area conference.

67 68 ***Section B. Expectations***

69 Congregations affiliated with the Western District Conference should be familiar and in
70 agreement with the Common Faith and Mission of the Western District Conference. Every
71 congregation is expected to support WDC ministries, respect its resolutions and decisions, send
72 delegates to its Delegate Assemblies, promote the welfare of WDC with members serving on its
73 commissions, committees, task forces and other positions, and support the area conference with
74 financial gifts. Member congregations are expected to select pastors who are in harmony with
75 the Common Faith and Mission of WDC and who are eligible to be credentialed by WDC.

76 77 ***Section C. Withdrawal***

78 The process of a congregation requesting withdrawal from the Western District Conference
79 should be in the spirit of Christian love and, if possible, with efforts of restoration and
80 reconciliation guided by the Western District Conference Executive Board in dialogue with the
81 particular congregation. A congregation is released from Western District Conference when a
82 two-thirds majority of all delegates vote favoring such action after a written notice of the
83 proposed action has been printed in official conference publications and/or mailed to all member
84 congregations not less than sixty days prior to voting sessions. Upon leaving WDC, a
85 congregation forfeits all claims to WDC property and privileges.

86 87 88 **Article IV. Amendments**

89
90 These articles may be amended by two-thirds of the votes cast at a regular or special Delegate
91 Assembly of the Western District Conference, provided that a written notice of proposed
92 amendments has been printed in official conference publications and/or mailed to all member
93 congregations not less than sixty days prior to the voting session.

95 **BYLAWS OF WESTERN DISTRICT CONFERENCE**

Bylaw 5. Institutional Relationships

The Western District Conference relates to many organizations that are independent but have official ties to the conference and its ministries. Western District Conference elects or provides for the appointment of members to these organizations at their request or per by-law requirements. Such appointments shall be made by the Executive Board. Western District Conference also values partnerships with other organizations that do not require WDC appointments or elections. All these organizations are invited to relate to Western District Conference as needed through participation at Reference Council, Delegate Assembly, annual reports, and cooperative projects of mutual interest and benefit.

Bylaw 6. Rules of Order

In all matters not covered by the Constitution and Bylaws of the Western District Conference, the most current edition of Robert's Rules of Order is a helpful guide. Conference leadership may use other means such as spiritual discernment or combining worship and work to process agenda.

Bylaw 7. Amendments

Bylaws may be amended by a majority of the votes cast at a regular or special session of the Delegate Assembly, provided that a written notice of proposed amendments be printed in official WDC publications and/or mailed to all member congregations not less than sixty days prior to voting session.
