FYE 2026 Budget Notes

INCOME:

The income section of the budget is divided into two columns, with income to WDC Fund 1 listed on the left, and money transferred into Fund 1 from WDC Funds 3 & 4 on the right. The money in each column is further divided into undesignated and designated, because some money may only be used for a designated purpose.

Undesignated income.

- I 1. General contributions from congregations and individuals. This reflects an increase of \$45,447 (13.7%) from the \$332,000 that was actually received in fiscal year ending 1/31/25.
- **12.** Honorariums/Reimbursements. All money collected by WDC for sales, services or fees, and that have not already been designated to use for a specific purpose. Examples include staff honorariums, library income from book sales, and payments from other organizations for work done by WDC staff.
- 13. Interest/Market Adjustment. Income earned on the checking account balance each month.

Designated income. Occasional designated contributions received during the year from congregations and individuals specific for the library or church planting.

- 15. Contributions which must be used to offset library expenses.
- 16. Contributions which must be used to offset expenses related to church planting.

Undesignated money transferred into the General Fund from other WDC Funds.

- **19.** Administrative fees. Undesignated money transferred into our operating fund (General Fund 1) from our Revolving Fund 3 and Restricted Fund 4 as an administrative charge for managing the funds. Beginning last fiscal year, the General Fund collects an annual administrative fee of 5% (paid on a quarterly basis) on the balances of the Revolving Fund and all accounts in the Restricted Fund except where prohibited by the foundational documents of donor-designated money.
- I 10. Fund 4 Bequest Fund. All undesignated estate gifts over \$500 are deposited into the WDC Bequest Fund account. Policy is that at the end of each fiscal year, 10% of the Bequest Fund balance is transferred into the WDC General Fund. If needed, up to 20% can be transferred to cover expenses with the approval of the Executive Board. This budget reflects an estimated 20% being used.

Designated money transferred into the General Fund from WDC Fund 4. This is from accounts in the Restricted Fund that have received contributions or grants for a designated purpose. These funds are moved into the budget to cover expenses for their specific designation.

- **I 12.** Restricted Other. This reflects designated money moved into the budget in FYE 1/31/2025 from accounts in Fund 4 that are not included in this budget recommendation.
- **I 13.** Restricted Transitional Min. Hispanic. Designated money from a Schowalter Grant and special fundraising that is transferred into the budget to help pay for salary and expenses to employ Hispanic Transitional Ministry Resource Co-Facilitators in a 2-year project to equip Hispanic congregations for congregational and pastoral transitions. These salary expenses are included in line EB 1.

- **114.** Restricted Subsidy for FDC staff. Money transferred in from the restricted account, Proceeds from Sale of 2500 Place, to cover the salary of a Fund Development Coordinator for three years beginning Sept. 2023. These salary expenses are included in line EB 1.
