A VISION FOR PEACE: FROM THE HEART OF LATIN AMERICA

Discover how SEMILLA is equipping the next generation of Anabaptist leaders.

We invite you to join us for special gatherings with Karla Cuca Vásquez, SEMILLA's Ambassador, during her visit to Kansas.

For over 40 years, SEMILLA (Latin American Anabaptist Seminary) has been more than a school—it is a seedbed for justice, peacebuilding, and biblical transformation across the Americas. Come hear first-hand stories of impact and learn how our community is partnering with theirs.
