Friends, Join the celebration!

*This year the WDC Resource Library turns 90 years old! But there's nothing old and dusty..well, ok, maybe a little dusty…but this collection is also very fresh! You won't find the original German-language materials on our shelves anymore, but you **will** find Spanish ones! There are only 9 VHS tapes left in the collection, but thousands of videos to stream through our StudyGateway subscription. You may not see local children at StoryHouse, but you'll see children encountering Christ in the model Prayground! You won't see boxes of boxes addressed to Civilian Public Service camps, but you **will** see boxes of books heading out to churches in our conference at to neighboring conferences. Celebrate 90 years of helping support faith formation by checking out the library today!*
